

Amendments to Drawings

With regard to item 3 in the Office Action, the Specification has been amended as shown below in "Amendments to Specification" to address the objections raised in item 3. Specifically, wherever reference character "648" had been used to designate LAN, "648" has been replaced with --548-- to be consistent with Fig. 6. In addition, wherever "606" had been used to designate system bus, "606" has been replaced with --506-- to be consistent with Fig. 6.

With regard to item 4 in the Office Action, a replacement Figs. 1a and 1b are attached to this document and the Specification has been amended to resolve the objection in item 4. Specifically, the reference character "115" has been removed from Fig. 1a, and reference character "1612" designating Control 3 has been changed to --1632-- in Fig. 1b. Reference number "228" has been added to the Specification as shown below in the "Amendments to Specification".
